

# Tahoe Donner® Year-End & 2010 2nd Quarter Activity Snapshots & Trends\*

\*Tahoe Donner, consisting of about 6,000 properties, is chosen as an indicator for the Greater Truckee market as it historically generates over 50% of dollar volume and over 50% of unit sales annually. Note that in a community of about 5,000 homes, the percentage of available properties is remarkably low.
